DANCE AND MUSIC

DANCE ROOM

With an aim to provide our students quality dance training, we have a dedicated dance arena. Our expert faculty, provides training of various dance forms At, Imperial Heritage, we teach different forms of dance like Contemporary Salsa, Hip Hop, Jazz, Tap, and many more dance forms.

It is an excellent opportunity for students to learn different dance forms, express themselves creatively and perform on various stages.

MUSIC ROOM

Music at Imperial Heritage School is the soul of the whole curriculum. We start each day with a musical rendition of gratitude. We want every student to learn music and a musical instrument of their choice.

Music helps them to focus on living with peace and harmony. Our school has a well-equipped music room, where students can learn to sing and play musical instruments like Harmonium, Piano, Violin, Digital Casio, Trumpets, Guitars, Drums, Flutes, Keyboard etc.

Various forms of music are taught to the students by our trained music teacher.

SAFETY & SECURITY

In IHS the safety and security of all children is our priority and this will not be compromised at any cost as we have a "zero tolerance" policy. We ensure that our children are safe in school and that we have adequate safety and security systems and processes in place, which go over and beyond the minimum government norms.

The School is in full compliance with all applicable laws, CBSE rules and regulations, Directorate of Education guidelines, Supreme Court guidelines and other relevant notifications.

BEYOND ACADEMICS

National and International Exposure through OLYMPIADS and ASSET Exams

Participation in District, State and National Sporting Events

It is rightly said that "A dream becomes a goal when action is taken towards its achievement" and we are committed in taking constructive and purposeful actions to produce optimistic, independent, compassionate, life-long learners and leaders who will bring glory to the School, State and the Nation.

FINE ARTS

Teaching art is a great art in itself.' We take immense pride in teaching art and craft to our students. We believe, student's artistic skills should do all the talking. 'Sketching, painting, drawing' is a prerequisite to most of the creative fields.

Painting is the most beautiful of all arts. We do this beautiful job. In our school, we guide students to create a story by using his/her imagination.

Sketching is yet another talent. It is a blend of art knowledge and practice, we at Imperial Heritage School, follow interesting methods of teaching sketching.

As far as drawing and illustration are concerned, these are very interesting ways of portraying one's ideas and thoughts on paper.

We don't believe in the concept that 'Art is God's gift'. We feel, every student has a hidden artist in him/her. Our teacher believes that with right guidance we can make every student perform artistically.

SPORTS AND GAMES

We believe that 'the power of sporting activities' can boost 'the overall development of a student'. Sports play an active role in shaping up the personality and fitness of a student. This is the reason, we have invested heavily in creating a world -class sports infrastructure.

We have appointed different coaches for different sports who can impart training to our students in various games and sports. They work hard on each student and help them win different levels of competitions. We also encourage students and provide them with opportunities to participate in different inter-school, zonal level, national and even international level competitions. We further facilitate after school training in association with leading sports academies of Gurgaon.

IMPERIAL HERITAGE SCHOOL AT A GLANCE...

Imperial Heritage School, under the able leadership of Ms. Neelu Sharma has managed to achieve a lot as far as activities and opportunities are concerned. We are committed to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the twenty-first century. High standards and expectations for each student in regard to academic performance, co-curricular participation, and responsible citizenship are the foundation of our school. Our strength lies in seamlessly incorporating co- curricular activities in main- stream academics, ensuring activity based learning right from Pre Primary to make a connection with the real world.

While academics is the core of any educational institution, Imperial Heritage School strongly believes in the holistic development of the child. The school lays emphasis on character building and is ensuring that the students of today step out into the world with extremely solid values and are proud citizens of tomorrow. In order to facilitate this, the school has introduced a concept of "Value of a Month" wherein every month is assigned a value which is taken up in all classes by way of storytelling, role plays, discussions, flip teaching. We believe that to be successful in life, we need to be good human beings first. The world of tomorrow needs grounded, empathetic, motivated professionals and we are doing our bit by working with our children to ensure that the world is better place for all future citizens..

FACULTY

We are a team of dedicated staff, committed to the wellbeing of the children in our care. For us teaching is a passion. Teachers at IHS are carefully selected and are well experienced and qualified. They have good personality and communication skills and thorough subject knowledge.

LIBRARY

Our school has a ventilated and technology enabled library for the students. The library is well stocked with different genre of age appropriate fiction and non-fiction books.

BIG OR SMALL, SMART CLASSES FOR ALL

Imperial Heritage School truly understands that in order to excel in this SMART era, students need SMART learning. This is the reason that we have brought a rich environment of Computer Aided learning. Our SMART classes are equipped with the latest technology including LCD projectors and Interactive digital board systems along with computers. All the sections of the curriculum are conveniently delivered through SMART classes that are networked to the large repositories of digital content. With the implantation of the Digital revolution in the classrooms, we provide our students with some tools and facilities that bolster interactive learning in the student. To blend technology with the curriculum, we have a tie-up with Microsoft where we use various MS Edu tools during the teaching-learning process.

ACTIVITIES

INDOOR CLUBS

Language Club, Science Club, Computer Club, Dance Club, Music Club, Pottery Club, Robotics Club

OUTDOOR CLUBS

Sporting Facilities Offered are -

Soccer, Badminton, Lawn Tennis, Taekwondo, Basketball, Cricket, Shooting and Skating

THEME ASSEMBLIES

A Theme Assembly undoubtedly holds a significant position among all the routine activities in school. It's probably one of the best platforms provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their young minds.

The theme is creatively explained through various activities. The parent's feedback is always encouraging enough to work harder as some get emotional to see their little ones perform with such confidence.

COMPUTER LAB

Today, technology has affected every sphere of life, especially education. This has changed our perception of what a school should provide to its students. In this time of booming technology, the computer labs are the appropriate platforms for the students to nurture their future.

INCULCATING VALUES IS OUR FIRST PRIORITY

Value based education- We believe in ensuring that our students are instilled with the right value system. The course of the academic programme is designed to inculcate a strong value system in our students.
